At the Florida SBDC Network, we believe in creating unimaginable possibilities for small businesses that yield economic prosperity for our state.

From starting and growing a business, to selling it, this is where Small Business Development Centers (SBDC) help. Established by Congress, SBDCs foster local, regional, and state economic prosperity by providing aspiring and existing small businesses access to professionally certified and credentialed business consultants to help mitigate common obstacles and find success.

Designated as “Florida’s principal provider of small business assistance [Fla. Stat. § 288.001],” the Florida SBDC Network, one of 62 SBDC networks in the country, has more than 40 offices, and approximately 50 outreach locations from Pensacola to Key West to serve the needs of Florida’s business community.

Since 1976, our network of partners has helped construct a statewide ecosystem to foster the spirit, support, and success of more than 1.2 million small business owners.

In addition to our core service offering of no-cost consulting, training, and business research, Florida SBDCs provide a comprehensive toolkit of specialized services for businesses looking to accelerate market growth, including:

Client Testimonials

Ace Power Deslag, LLC, Lake City
“The help and information that we have received from the Florida SBDC since 2002 has been vital. We would not be in business if it hadn’t been for the help we have received; pointers, hints, suggestions, other ways to look at problems, just answering questions, all of this was helpful. No one else would even give us the time of day, including the financial institution that we got our loan through.”

—Lee Starr

Arise Coffee, Live Oak
“[Our consultant] Mark was wonderful to work with. He worked diligently to help me obtain the funding that we desperately needed in order to expand. I honestly believe without his assistance we would not have been able to complete the expansion project which allowed us to serve 65 additional students and eventually hire 6 new teachers.”

Moonshine Acres RV Park, Fort White
“The Florida SBDC was a vital part of our business obtaining an SBA loan to complete the construction of our RV Park. Mark was great to work with, and extremely helpful in assisting us with the completion of our business plan. The amount of advice and consulting he provided throughout the process was invaluable. I would, and have, recommended my peers and colleagues to reach out to their local Florida SBDC for assistance with their business ventures. Thank you for everything you have done for our business, and our family!”
