From starting and growing a business, to selling it, this is where Small Business Development Centers (SBDC) help. Established by Congress, SBDCs foster local, regional, and state economic prosperity by providing aspiring and existing small businesses access to professionally certified and credentialed business consultants to help mitigate common obstacles and find success.

**Capalbo’s Pizza, Bradenton**

“The Florida SBDC, and namely Ms. Dorina Hart, was very professional and knowledgeable and guided us through the whole [Florida Small Business Emergency Bridge Loan] application process to lead us to successful approval, and we thank you, Ms. Hart and the Florida SBDC for all the help... The loan approval meant the opportunity to continue employing all of our loyal staff [even with the economic impact of the Red Tide].”

—Radka Watson

**Game On Nation, Bradenton**

“[Our consultant] Karen’s support has been ongoing and all of the resources at the [Florida SBDC] PTAC have empowered game on to stay in the federal contracting space... We’re so proud that in 2018 we were awarded a six-figure contract with a major federal entity... It’s helped us create exponential growth, new verticals, new initiatives, new programs, and more than that, it’s about the personal connection and having somebody on call who can provide moral support and guidance. I can’t recommend Florida PTAC at USF highly enough.”
