2018 Economic Impact Analysis of the Florida SBDC Network by FSU CEFA* | Reported by respondent clients of outcomes resulting from or in part due to assistance received in 2017-2018**
Helping Businesses Grow & Succeed

At the Florida SBDC Network, we believe in creating unimaginable possibilities for small businesses that yield economic prosperity for our state.

From starting and growing a business, to selling it, this is where Small Business Development Centers (SBDC) help. Established by Congress, SBDCs foster local, regional, and state economic prosperity by providing aspiring and existing small businesses access to professionally certified and credentialed business consultants to help mitigate common obstacles and find success.

Designated as “Florida’s principal provider of small business assistance [Fla. Stat. § 288.001],” the Florida SBDC Network, one of 62 SBDC networks in the country, has more than 40 offices, and approximately 50 outreach locations from Pensacola to Key West to serve the needs of Florida’s business community.

Since 1976, our network of partners has helped construct a statewide ecosystem to foster the spirit, support, and success of more than 1.2 million small business owners.

In addition to our core service offering of no-cost consulting, training, and business research, Florida SBDCs provide a comprehensive toolkit of specialized services for businesses looking to accelerate market growth, including:

- Strategic & Business Plan Development
- Access to Capital
- Strategic Market Research
- Cybersecurity
- Market Growth Development
- International Trade
- Government Contracting
- Disaster Resiliency & Recovery

Our clients tell our story best. Read a sampling of testimonials (►) from the tens of thousands of small businesses we assist each year.

Client Testimonials

Network 32 Access Group, LLC, Tampa
“The time that I spent with [my consultant] Ms. Krymski has placed my business on a positive forward trajectory. I have three active contracts with three contracts that will begin in the next couple of weeks.”

—Virgil Perry

Occam Technology Group, Tampa
“(My consultant) Karen was instrumental in helping us navigate all of the different sites and registrations needed in order to identify and qualify for government projects. We had the skill sets to do the work; we just didn’t understand how to get set-up so that we could qualify for the work. This is now in place and we are already seeing the benefits of registration as we are getting brought into more and more proposals and have now even won a few small projects that are getting us ‘into’ the system so that we are in a position to win larger projects in the future. It was help that we would not have gotten anywhere else and an understanding of how things work that we would not have known or been able to figure out on our own.”

—Gordon Ryerson

Ferrill Construction Company, LLC, Tampa
“The Florida SBDC has been such a tremendous resource for us over the years. We still use so many of the tools we’ve been given especially when forecasting. It helps us make better informed decisions for our future.”

—Heather Ferrill

Tampa Music School, Tampa
“The information I’ve received from the Florida SBDC has been invaluable. I dare say there would not be a Tampa Music School without the Florida SBDC. My first year we were nose-diving bad and I immediately started going to all the classes and met Janette... We’re continuing to look down the line of continuing to double and quadruple and grow by leaps and bounds every year from here on out through the training we’ve received from the Florida SBDC.”

—Mariel & Gerardo Diaz (Calderon)

The Florida SBDC Network is a statewide partnership program nationally accredited by the Association of America’s SBDCs and funded in part by the U.S. SBA, DLA, State of Florida, and other private and public partners, with UWF serving as the network’s lead host institution. Florida SBDC services are extended to the public on a nondiscriminatory basis. Language assistance services are available for individuals with limited English proficiency.
