

# Fact Sheet

## Helping Businesses Grow & Succeed for Over 40 Years

### History

Funded in 1976 by the U.S. Small Business Administration, the Florida SBDC Network, one of eight original SBDC pilot programs in the country, successfully links the state's education system with community outreach to aid in the development and education of the state's entrepreneurs and small business community. Since its inception, the network has nourished a statewide partnership between higher education and economic development to provide emerging and established business owners with management and technical assistance, enabling overall growth, increased profitability, and economic prosperity for the state.

### Mission
